PRINCIPAL'S MESSAGE

Parents Thank You Coffee Morning

I will host a Parents Thank You Coffee Morning at 0815 on Monday 9th December for all parents who have supported the school throughout the year. Instead of sending invites and possibly missing people out, I would like to ask parents to RSVP by [completing this form](#), and let us know the ways you've supported us—whether it's presenting to students, assisting with PnF events, participating in CIS meetings, or contributing in any other capacity.

High School Arts Night

Congratulations to the teachers, students and support staff for putting on a fantastic Arts Night on Tuesday. It was very pleasing to see most of the high school students on stage performing as part of a group or as individuals. The film studies' movies and artworks were all of a great standard and has really allowed our students to showcase their creativity and talents. Approximately 10,000,000IDR was raised through the auction of student art work to benefit the children at the Panti Asuhan Yos Sudarso Cilandak orphanage that a number of our High School CAS students have been supporting throughout the year.

Arts Night

Library Book Donations

We received a generous donation of 135 used Korean books from Ms. Gahae Kim, mother of Haein (Year 4) and Seoin (Foundation). These books are in excellent condition and cover a variety of genres, including comics, science, picture books, and more. I believe our students, especially our Korean readers, will truly enjoy this collection. The books are currently displayed in a box in the library.

We also had Ibu Verania visit last week to present three copies of Learn Your Way to Happy By Bernie Hayne to our school library, 2 in English and 1 in Indonesian. Ibu Verania translated the book from English to Indonesian.

Thank you also to all families who donated books during Book Week. I also brought back a large number of books from Australia for our library a few weeks back. These are now in the library. Families traveling to their home country during the Christmas holiday may choose to buy some books to donate to the library - we will gratefully accept books in all languages as we work to increase our catalogue of English language and mother tongue language books.

Parents & Friends Halloween Party

A big thank you to the PnF for organising such a fantastic Halloween Party. Thanks also go to the other parents who prepared sensational stalls and to the teachers and students who worked so hard preparing for the performances. I am sure the PnF Christmas Market schedule for Saturday 7th December will also be a huge success and I'd ask all families to mark it in their diaries so that you can join.

PnF Halloween Party

Upcoming Dates

Week 5	
Saturday 16th November	ANZA Bazaar
Week 6	
Mon 18 - Fri 22nd November	Yr 7 - 11 Exam Week
Tuesday 19th November	PnF Laughter Therapy Workshop
Thursday 21st November	Yr 12 Final Assembly
Friday 22nd November	PS Assembly Yr 12 Graduation

PRIMARY SCHOOL NEWS

Exciting Times Ahead as We Near the Term's End

As we march into Week 6, the end of the term may be nearing, but our calendar remains bustling with activities and events that continue to invigorate our school community.

Firstly, a big round of applause for Year 2 for their enlightening assembly today on the journey of water. Their presentation was both informative and engaging, illustrating the importance of water in our world.

We also extend huge congratulations to all the Year 5 students who delivered compelling speeches as candidates for school captain. Your leadership and dedication are commendable. We eagerly await the election results, to be announced next week.

This weekend, our AIS baseball team will take the field in their first tournament. We send them all our best wishes for success on Saturday. Go team!

Looking ahead, we're excited for a unique initiative by Angela from Year 6, who will be organising a small Flea Market in a couple of weeks. This event will allow students to sell their unwanted toys or handmade items, fostering entrepreneurship and community engagement.

Additionally, don't miss the Year 3 and 4 Drama show in Week 8, which promises to be a spectacular display of our young talents. Wrapping up the week, the PnF Christmas Market will offer a festive shopping experience, perfect for getting into the holiday spirit.

We hope everyone has a fantastic weekend filled with relaxation and fun. Let's make the most of these exciting times at AIS!

Ms. Sinead Smith
Primary Coordinator

PE Class

This week in PE class, the students engaged in a variety of activities that helped improve their motor skills, teamwork, and badminton techniques.

In the lower primary, the focus was on manipulative movement lessons. These lessons were especially beneficial as they helped the students develop their basic motor skills, enabling them to perform more complex movements. Additionally, the activities promoted teamwork and collaboration, as students had to work together to complete various tasks and challenges.

In the upper primary, the main focus was on badminton. During the fifth week, the students learned the forehand serve, which is an essential skill in the game. They practiced the technique through drills and exercises aimed at improving their form and consistency. In addition to the badminton lessons, the students participated in SAQ (Speed, Agility, and Quickness) drills, which helped improve their overall physical fitness and coordination. Next week, the students will continue building their badminton skills by focusing on the backhand serve.

Overall, the week was filled with both fun and productive activities that helped students enhance their physical abilities and learn new sports skills. On Saturday, 16th November 2024 Basketball CCA will compete at the British school Jakarta in the U-10 age group basketball competition.

Mr. Patrick

HIGH SCHOOL NEWS

Welcome to High School News

Congratulations to all of the students and staff involved in our excellent Arts Night on Tuesday. It was lovely to see so many students stepping out of their comfort zone to perform on stage, and for their films and Art to have a public viewing. In addition we managed to raise a significant amount of money for the Orphanage to allow them to buy sheets and a washing machine.

Next week is our assessment week. Assessments will take place as follows:

Monday 18th November	
Periods 3 and 4	Year 7 Maths Year 8 Maths Year 9 Science Year 10 Humanities
Periods 5 and 6	Year 11 Chemistry
Tuesday 19th November	
Periods 1 and 2	Year 11 Biology, Physics and General Science
Periods 3 and 4	Year 7 Science Year 8 Science Year 9 Humanities Year 10 Indonesian, Japanese and Korean
Wednesday 20th November	
Periods 3 and 4	Year 7 Indonesian Year 8 Indonesian Year 9 Maths Year 10 English Year 11 Economics and History

Periods 5 and 6	Year 11 Indonesian, Japanese and Korean
Thursday 21st November	
Periods 3 and 4	Year 7 English Year 8 English Year 9 English Year 10 Science
Friday 22nd November	
Periods 1 and 2	Year 11 Maths
Periods 3 and 4	Year 7 Humanities Year 8 Humanities Year 9 Indonesian Year 10 Maths
Periods 5 and 6	Year 11 Business and ESS

Please ensure that students are on time for the assessments at the beginning of the school day and remain in school throughout the school day. You can help your child to prepare for these assessments by supporting them with their study, giving them a quiet place to work, giving them time to revise and making sure that they continue to eat healthily, to sleep properly and to exercise as they would do normally. Research indicates that children in High School should be getting between 8 and 12 hours of sleep a night and this can best be supported by ensuring that mobile phones, tablets and other devices are removed from their rooms at night and for the hour before they sleep.

Next week we will also be saying our formal goodbyes to Year 12, with their final assembly on Thursday and the Graduation ceremony on Friday. You are very welcome to join us for the final assembly.

Dr Beth Ashfield
Deputy Principal and Head of High School

Year 9 Visit to the French School Jakarta

On Monday, a number of our year 9 students had the wonderful opportunity to visit the French School Jakarta to participate in the armistice commemoration. The day began with a solemn and meaningful ceremony, during which our students paid their respects to the significance of the armistice.

Following the ceremony, our students were mixed with those from the host school and another guest school, allowing them to engage in a friendly and exciting kin-ball game—a Canadian sport that promotes teamwork and cooperation.

The visit to the French School Jakarta was memorable, leaving everyone with a deep appreciation for the importance of peace and the joy of building connections with others. Here's what our students say about this visit:

"It was a very good experience for me. I met many other students there and made some friendships with them. Also, I was able to see the French commemorative ceremony. Even though I didn't understand what they were saying, the ceremony was impressive" (Jaehoon)

"Our visit to the French School Jakarta was a great experience. We had fun playing a friendly Kin-Ball match, which helped us work as a team. It was exciting to meet those students. Everyone was very friendly and made us feel welcome. It was a wonderful opportunity to make new friends, share experiences, and see how sports can bring people together!" (Iris)

"It was a great way to meet new friends and get a brief look into French history and traditions. I think I speak for everyone when I say it was a really fun day!" (Tahlia)

We look forward to more such enriching experiences in the future!

Mr. Asep and Mr. Robert

Careers & University Information

The Margaret Sanders Student Scholarship Application 2024-2025

Each year the scholarships are awarded to the students who demonstrate character strengths such as persistence and motivation, resourcefulness, as well as acceptance of other cultures and points of view.

Application instructions and forms for the Margaret Sanders Scholarship are now housed on the [website](#) of the Association for the Advancement of International Education. AAIE completes the initial review and then forwards the completed applications to each regional office where one applicant per region is selected.

All application materials must be submitted no later than **November 15, 2024**.

Find out more and discover how to apply. [click here](#)

[2024-2025 Margaret Sanders Scholarship: Application Submission Form](#)

All the best

Monash University

Greetings from Monash University

MONASH University

HOW WILL YOU MAKE YOUR CHANGE?

Make your future self proud and tackle the challenges of the age with Monash University's Change It Challenge.

Join us in helping solve some of the challenges of the age – from climate change through to building thriving communities.

In a 3-minute video, tell us which of these challenges concerns you the most, how it affects where you live, and how you will make your change and tackle this issue in a way that will make your future self proud.

WANT TO LEARN MORE?

 **Scan the QR code** to find out more about the competition and how to enter.

COMPETITION FIRST PRIZE 

Return flights and accommodation (with food and travel costs included) for the winning team to spend a week in Melbourne. The winning team will enjoy a full schedule of activities to experience life as a Monash student and will also have the opportunity to compete in the international finale event against other winning teams from around the world.

WORK STUDY SUPPORT RESEARCH

Monash is a modern, global, research-intensive university, delivering education and research excellence in Australia and across the Indo-Pacific. We're making a positive impact on today's global challenges – whether that's by mitigating climate change, easing geopolitical insecurity or fostering healthy communities.

Monash University's Change It Challenge is a competition to make your change and have your voice heard. In recognizing the high quality of your school we would like to invite your students to Join us in helping solve some of the challenges of the age – from climate change, geopolitical security or thriving communities. Once they choose a challenge to focus on, we want them to choose the issue that concerns them the most or are most passionate about, think about how it affects where they live and share with us what they would do to change it and why.

If you require further information about this appointment letter, please do not hesitate to reach out.

We would like to thank you for your kind consideration.

Ms. Dhira
