PRINCIPAL'S MESSAGE

AISA Games

I am currently traveling with our AIS Games Team @ AIS Singapore. Our students have enjoyed the first day of competition and are representing our school in a very positive manner. More details will follow next week.

Lost Property

We have quite a collection of lost property which we will put on tables on the entranceway next week. Students and parents are asked to check through it for any missing items. At the end of the week the remaining lost property will be donated or disposed of. This is a great time to remind parents to label their children's belongings, so if they are lost they can be returned.

Staff Departures

As we come to the end of the Academic Year, we will be farewelling some valuable members of our teaching team. We thank them all for their contributions to AIS over a number of years and wish them well in their futures.

Ms Alisha (Asa) Nursita. Primary School Swimming Teacher.

Mr Brentan Schilling. High School Music Teacher.

Mr Jaimin Surani. High School Maths & Science Teacher & IB Diploma Coordinator.

Ms Sonam Thakkar. High School Business & Economics Teacher

New Staff

We will be welcoming a number of new teachers to AIS Indonesia Jakarta Campus in January 2025. Some of the new teachers will join us to replace departing teachers and others will be joining as we continue to expand and offer more programmes and opportunities for our students.

Mr Dave Brundage will join us as the IB Diploma Coordinator and High School Maths Teacher

Ms Jordan Benson will join us as a Primary School Teacher

Ms Hyunje Erin Chang will join us as a High School Maths Teacher

Mr Dan Fulton will join us as a Primary School Teacher

Mr Jeremias Sampang will join us as the University & Careers Counsellor

Mr David Wilson will join us as a High School Biology Teacher

We are still in the process of recruiting for other teaching positions.

Parents Thank You Coffee Morning

I will host a Parents Thank You Coffee Morning at 0815 on Monday 9th December for all parents who have supported the school throughout the year. Instead of sending invites and possibly missing people out, I would like to ask parents to RSVP by [completing this form](#), and let us know the ways you've supported us—whether it's presenting to students, assisting with PnF events, participating in CIS meetings, or contributing in any other capacity. RSVP by Monday 2nd December.

AIS Parent Supporter Polo Shirts

AIS Parent Supporter Polo Shirts are now available for purchase at the School Uniform Shop for 310,000 IDR. AIS Golf Umbrellas and School Backpacks are also available.

PRIMARY SCHOOL NEWS

Exciting Developments and Upcoming Events at AIS

A heartfelt thank you to Foundation E for their enlightening assembly presentation this morning. This term, the class has been deeply engaged in exploring the concept of movement. Through observation, experimentation, and play, the students have learned that objects can roll, slide, spin, or bounce, influenced by their shape and the surface they're on. They have also investigated how forces such as pushes and pulls affect these movements. Today, they delighted us by demonstrating different ways things can move, using toys and classroom objects.

Congratulations are also in order for all candidates who participated in the house captain elections. Your efforts and enthusiasm have been commendable, and well done to those who were elected.

As the term swiftly approaches its close, we still have a plethora of activities lined up:

- 1. Year 3 and 4 Pantomime - "Cinderella and Rockerfella"**
Don't miss the enchanting pantomime performance by our Year 3 and 4 students. This modern take on the classic fairy tale is sure to be a hit! Monday 2nd December 5:30pm!
- 2. Angela Kim's Flea Market Initiative**
Organised by our Vice Captain, Angela Kim, the Flea Market will be a fantastic opportunity for students to sell and buy pre-loved items or homemade crafts. It's a perfect chance to support our young entrepreneurs. Fill the form in a return to Ms Sinead. Flea market will be Thursday 5th December at lunchtime!
- 3. Kangaroo Naming Competition**
Get creative and submit your best name ideas for our school mascot, the kangaroo. It's a fun way to contribute to our school spirit!

Additionally, we look forward to celebrating our Year 6 students at their graduation next week. It promises to be a memorable occasion as we bid them farewell and wish them success in their future endeavors.

Thank you for your continued support and participation in our school activities. Let's make the most of these exciting times at AIS!

Ms. Sinead Smith
Primary Coordinator

Year 2 – Making Toys during HASS Lesson

Year 2 students are always enthusiastic when it comes to making a class project! They enjoyed learning about technologies from the past and learned to compare the different technologies with the ones from the present times during HASS lesson. They shared ideas in groups and in a whole class setting about these technologies, such as the purposes of this technology, the designs and when they were invented or created.

This term, the Year 2 students created various toys from recyclable materials to experience the ideas of how toys were made in the past and how children can play with toys they created themselves instead of buying them from the shops.

It was amazing to see that the Year 2 students displayed their creativity when they planned, collected materials needed and created the toys. Some children even learned to do stitching to make stuffed soft toys.

HIGH SCHOOL NEWS

Welcome to High School News

Last week finished with our Year 12 Graduation.

The evening was a great celebration of Year 12 and included musical performances from Lila, Dong Yeon and Jiwoo, Praditya and William and finished with all of Year 12 performing together. As you can see from the picture below, our graduates looked incredibly smart in their formal gowns and caps. This year the graduates were gifted sashes to commemorate their time at AIS and these will, I am sure, join their AIS Kangaroos as mementos of their time with us at AIS Jakarta.

This picture is from the rehearsal (and does not include Marvel who was not able to be there for this part of the rehearsal but made it for the ceremony itself). I am sure that we will be sharing more pictures of the evening in due course.

Teachers are very busy at the moment, finishing the marking of the end of semester/year assessments and writing reports. Grades from the assessments will be included in the end of year reports, which will be sent to you at the end of the term.

We will be welcoming Brigitta, a very impressive AIS alumna from 2022, back into school next week. She will be running workshops with students on behalf of Diverseas. You can find out more about Brigitta [here](#).

I would like to invite you to our final High School assembly, next week on Thursday 5th December, starting at 0910. We will be awarding the final attainment awards of the year to students in Years 7 - 11 and you are very welcome to come along and help us to celebrate the achievements of our students.

We are looking forward to a busy end of term with Ball Sports Days coming up:

- Years 5 - 8 on Tuesday 3rd December
- Years 9 - 11 on Tuesday 10th December

You are very welcome to come along to support the students as they compete.

Dr Beth Ashfield
Deputy Principal and Head of High School
