

## AIS SCHOOL VISION

For our students to become confident, capable and socially aware global citizens who contribute meaningfully to the communities in which they choose to live and work.

### Principal's News

It has been a rewarding week as I visited many Primary English as an Additional Language (EAL) classrooms as part of our Teacher Appraisal process. It is marvelous to see our beginner English learners engaging so enthusiastically with their teachers and classmates. Yesterday, I had the pleasure of attending the High School assembly to recognise and celebrate our students who recently participated in the World Scholar's Cup. With over 1,500 students competing, several of ours earned top placements, bringing home trophies and medals—an outstanding achievement. Today's Primary Assembly led by Year 3A shared a valuable message about friendship. It was great to see so many students being recognised with certificates for their efforts in class and for participation in a recent badminton competition.

Finally, we will be hosting two Open House events next week for prospective parents and employers. The Primary School Open House will take place on Tuesday 27th May and the High School Open House will take place on Wednesday 28th May. If you have any friends or colleagues that might be interested in having their child (ren) join AIS, please direct them to [admissions@ais-indonesia.com](mailto:admissions@ais-indonesia.com)

### AIS School Uniform Survey

All parents are invited to complete our [AIS School Uniform Survey](#). We will use the data collected to inform initial discussion as we look to update the AIS School Uniform. A separate survey for students will be shared with them at school.

### Upcoming School Camps and Sleepover

The final weeks of term promise to be filled with excitement as our students head off on a variety of camps and overnight experiences:

- Year 2: School Sleepover
- Years 3 & 4: Camp in Sentul (2 days / 1 night)
- Years 5 & 6: Camp in Sentul (3 days / 2 nights)
- Year 7: Camp in Yogyakarta (4 days / 3 nights)
- Year 8: Camp in Lombok (4 days / 3 nights)
- Year 9: Camp in Bali (4 days / 3 nights)
- Year 10: Camp in Sumatra (4 days / 3 nights)
- Year 11: Camp in Hue, Vietnam (5 days / 4 nights)

In total, 36 staff members will accompany about 200 students from AIS Jakarta, alongside a number of students from AIS Bali. This number does not include our Year 2 students who will be enjoying their sleepover at school. The scale of these events reflects a tremendous amount of planning, coordination, and commitment from our team. A huge thank you goes to Ms Remy, Ms Fiona, Dr Beth, and Ms Sinead for their leadership and support. Also special thanks to the teachers attending the camps.

I ask all parents to stay informed by reading all camp-related communications carefully and ensuring that any requested information is shared with the school promptly. Please also note that camp fees are now overdue, and we ask that any outstanding balances be paid immediately.

Punctuality is essential. Please ensure your child is dropped off and collected at the specified times for their camp group. Thank you for your ongoing support in helping make these enriching experiences possible for our students.

### Jungle Toppings Canteen Orders

[Please click](#) this link to order Jungle Toppings canteen snacks and lunches for Week 6 beginning Monday 26th May.

### Canteen News

We are only a few weeks away from opening our canteen on the North / No 69 Campus for our High School students. Once opened, our High School students will have the option of accessing the main canteen on the South/No 68 Campus or the North/No 69 Campus. More news will be shared next week.

### Upcoming Events

## PRIMARY SCHOOL NEWS

### What a week!

We kicked things off this morning with a heartwarming assembly from Year 3A, who did a fantastic job presenting on *how to be a good friend*. Their clear messages and confident delivery were a lovely reminder of the values we encourage every day at AIS – well done to all involved!

It's been our first full week in a while, and what a busy one it's been! On Tuesday, Foundation students enjoyed a fantastic day out at Kuntum Farmfield, getting their hands dirty and learning all about farm life. Wednesday saw some of our teachers take on the challenge of the Google Educator Level 1 exam – congratulations to all who passed!

Our Primary basketball team kicked off the week with a home match on Monday, showing great teamwork and sportsmanship. And this Saturday, we're thrilled to be hosting AIS's very first Small Schools Swim Meet. Good luck to all our swimmers – we're sure it'll be a morning full of fun and friendly competition!

A quick reminder to parents: students should not be using the playground equipment after school, as there is no teacher supervision after 2:30 p.m. Any children waiting for siblings must stay at the front of the school near security – thank you for helping us keep everyone safe.

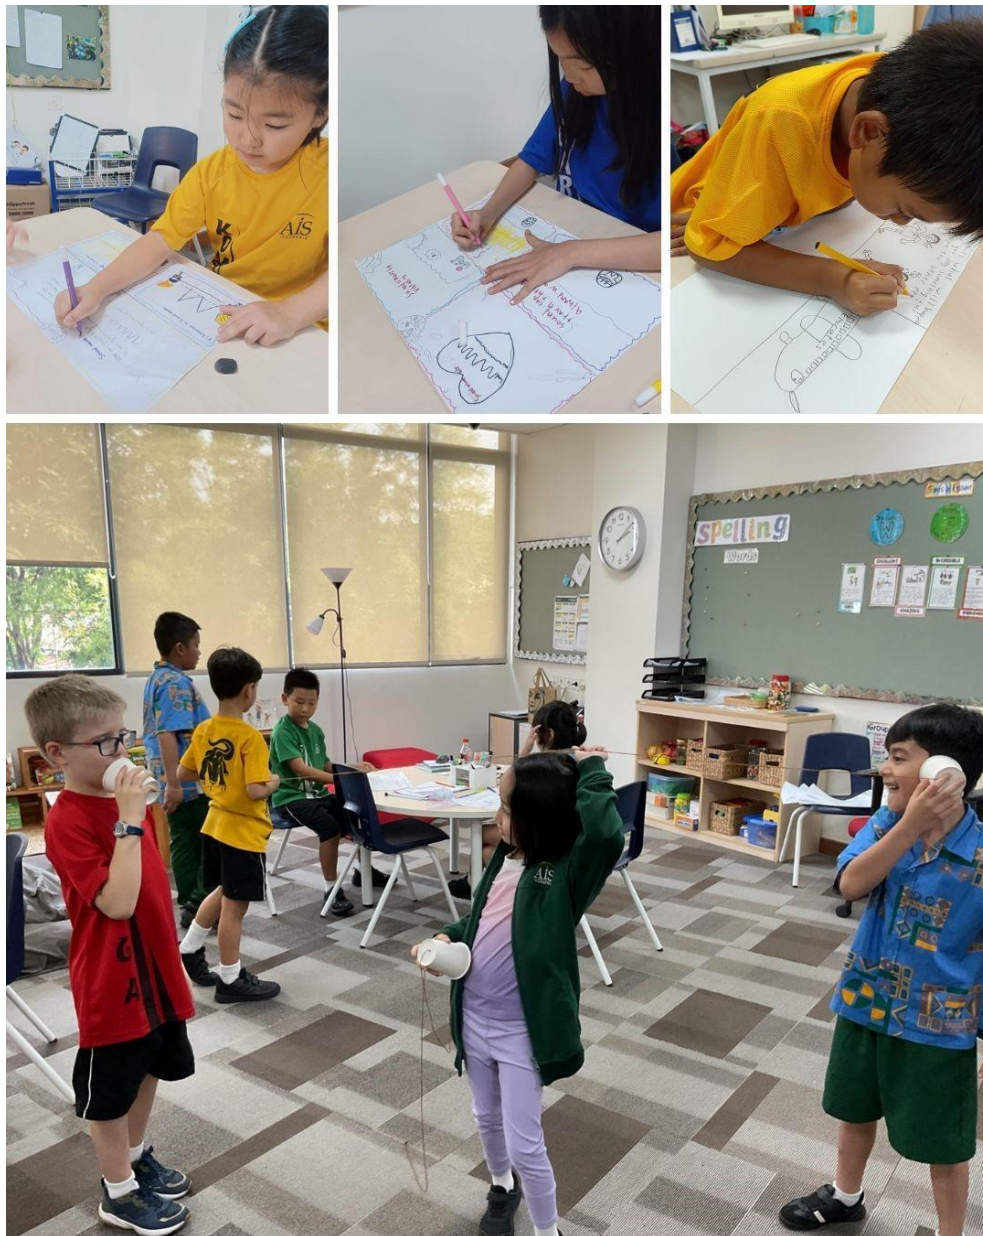

And finally, don't forget that next Thursday is a public holiday, so enjoy the shorter week ahead.

Have a great weekend!

**Sinead Smith**

*Deputy Principal – Primary*

**Year 2**

In **Science**, our unit has centred around the topic of sound. Students have explored how sound is produced through vibrations and how it travels through different materials such as air, water, and solids.

Through hands-on experiments and engaging investigations, they discovered how pitch and volume can change depending on the source of the sound. They particularly enjoyed making telephones and testing how sound can travel through vibration. This unit has sparked lots of curiosity and great scientific questions.

In **HASS**, we've been learning about places and how people feel connected to them. Students have developed their mapping skills by learning to identify the seven continents and some major countries around the world. They have been locating places they have lived in, visited, or heard about, and sharing stories about why these places are special to them. We've had wonderful class discussions about cultural backgrounds, family holidays, and favourite locations. This learning has helped students understand that places have meaning and that everyone's connection to a place can be unique and personal.

**Ms. Karlina and Ms. Jordan**

### Merit Certificates

| Class          |           | Teacher      |
|----------------|-----------|--------------|
| Preschool 3/4L | Aurelia   | Ms Linda     |
| Preschool 3/4L | Dogyeong  | Ms Linda     |
| Preschool 3/4L | Hudson    | Ms Michelle  |
| Preschool 3/4T | Andre     | Ms Tia       |
| Preschool 3/4T | Billie    | Ms Tia       |

| Year 6S  | Min Gi    | Mr Patrick      |

## HIGH SCHOOL NEWS

### Welcome to High School News

This week we had a special High School assembly to meet (virtually) Paula and Chris from the Australian National Academy of Entrepreneurs. They will be coming to work with our Year 9, 10 and interested Year 11 students at the beginning of Terms 3 and 4 to introduce them to entrepreneurship and to help them to find out more about making a business pitch and marketing and branding. The Academy of Entrepreneurs has worked with a number of schools internationally to teach children about the practical world of business. You can find out more about them in this short introductory [video](#) or from their [website](#). We're really looking forward to an exciting few days!

In assembly we celebrated the achievements of the students who attended the World Scholar's Cup in Jakarta earlier this month. We are incredibly proud of Nayla, Pyunggang, Zefanya, Tahlia, Jessica, Yunji, Kate-Lee and Juyeong for their achievements

I have been very impressed with how calmly and maturely the High School students have coped with their assessments this week. They have been present and prepared and have responded well to the challenge of assessment week. Teachers will be giving feedback over the coming weeks and it is

important to remember that assessments can be a chance for learning as well as checking understanding and the ability to work under pressure. I would encourage students to take time to listen to their teacher's feedback, to look at the questions they got wrong and to reflect on their mistakes to avoid making them again in the future. It is a good opportunity to determine whether any problems lie in understanding the curriculum or the strategies that they are using to revise the subject content. Doing assessments regularly allows the students to work out how they learn best to prepare them for the rigours of the IB assessments at the end of Year 12.

We have a lot of exciting events coming up before the end of term and would be very happy for you to join us to celebrate Science at our Science fair on Monday 9th June and our Swim Carnival on Thursday 12th June. Many thanks to our teachers for organising these events for the students.

A reminder that the school camps will be during Week 10, if you have not yet made the final payment for camp please do so as soon as possible. The timetable for students who are staying in Jakarta will be shared with families soon. We are expecting all students to be in school on Friday 20th June for the end of semester.

A reminder that the school will be closed next Thursday, 29th May, for Ascension Day.

**Dr Beth Ashfield**  
**Deputy Principal and Head of High School**

**Pejaten's Got Talent**

Catering will be done by Jungle Toppings and PnF.

**Mr. Anand**

### University News

#### **ChuAng University (CAU) Korean Overseas University Application Webinar**

We warmly invite Year 11-12 students and parents from other schools to join us (maximum of 300 participants).

This informative session will focus on Korean overseas applications and will be conducted in Korean. Please note that a recording will not be available, so we encourage all participants to attend the live session.

#### Session Details:

- Date: May 28, 2025
- Time: 2:15 PM WIB (Jakarta Time)
- Audience: Korean overseas track students and parents

We kindly ask that participants complete their pre-registration by May 22 through this link: <https://forms.office.com/r/ujva2SBbba>

Please ensure that attendees provide the correct email address to receive the webinar link.

Thank you.

**Mr. Jeremias Sampang, Jr.**  
University and Careers Counsellor
