International Day

AIS Jakarta will host International Day from 12:00 - 3:00pm on Friday 1 August. We are excited to announce that we will have the following country stalls on the day:

- African Nations (Tanzania, South Africa, Kenya)
- Australia
- Bangladesh
- Great Britain
- China
- European Nations (Turkey & Romania)
- Ghana
- India
- Indonesia
- Japan
- Korea
- Latin America (Venezuela, México, Argentina)
- Malaysia

Our High School Student Representative Council will be hosting a photo booth and temporary tattoo station and some of our High School Korean students will be hosting a stall of their own,

This is an event that all parents are invited to join us for. All students and parents are invited to wear traditional dress or national sporting team jerseys or clothes in the colors of their country on the day.

Thank you to the parents who are volunteering their time to organise the stalls and contribute to the event.

We will send a final programme for the day's events to all families next week.

Camp Feedback

All parents whose children attended the end-of-Term 2 Camps are invited to share their feedback by Friday, 1st August. We are also collecting input from students and staff who participated in the camps.

- [Click here](#) to feedback on High School camps

Your feedback is valuable and will help us in planning and improving future camp experiences.

School Holiday Maintenance

A huge thank you to our marvellous Maintenance Team for the impressive amount of work completed over the holiday break. We also extend our sincere thanks to the AIS Yayasan Board for their continued support of these important school improvement initiatives.

- Rear Bus Entry / Loading Dock Canopy
- Resealing & painting of exterior windows and walls
- Carpeting the HS Media & IT classroom
- Refitting the uniform shop to include changing rooms
- Refitting the front meeting room for the Admissions Team
- MPC - in addition to soundproofing, speakers and scoreboards have been moved. Additional microphones, feedback speakers & other infrastructure purchased
- Upgrade of MPC 1 (North Campus) changing rooms.

Jungle Toppings Canteen Orders

The best way to ensure your child receives their preferred meals is by pre-ordering for break and lunchtime each week. If weekly ordering isn't possible, you can still order daily—either in person at the canteen or online each morning.

PRIMARY SCHOOL NEWS

Dear Parents and Families,

What a great way to end the week with a fantastic assembly from our Year 2 students this morning! They have been busy expanding their knowledge of the world by learning all about the seven continents — locating them on the globe, discovering special places, and identifying animals that call each continent home. Today, they proudly shared that knowledge with us through an engaging and informative performance. Well done to all our Year 2 students and teachers!

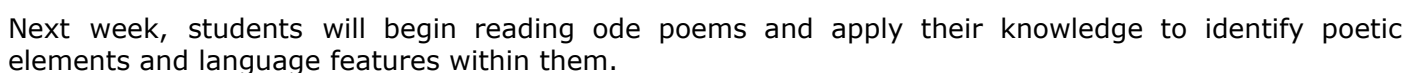

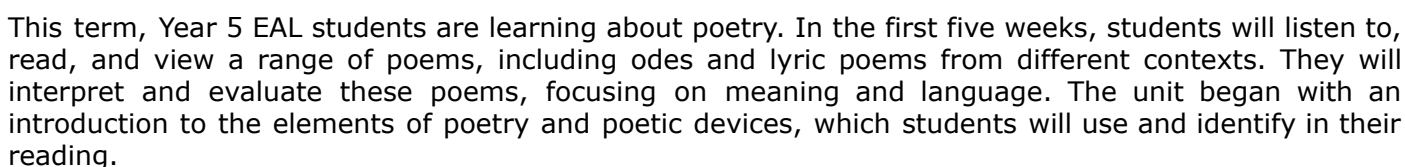

Looking ahead, we have some exciting events coming up:

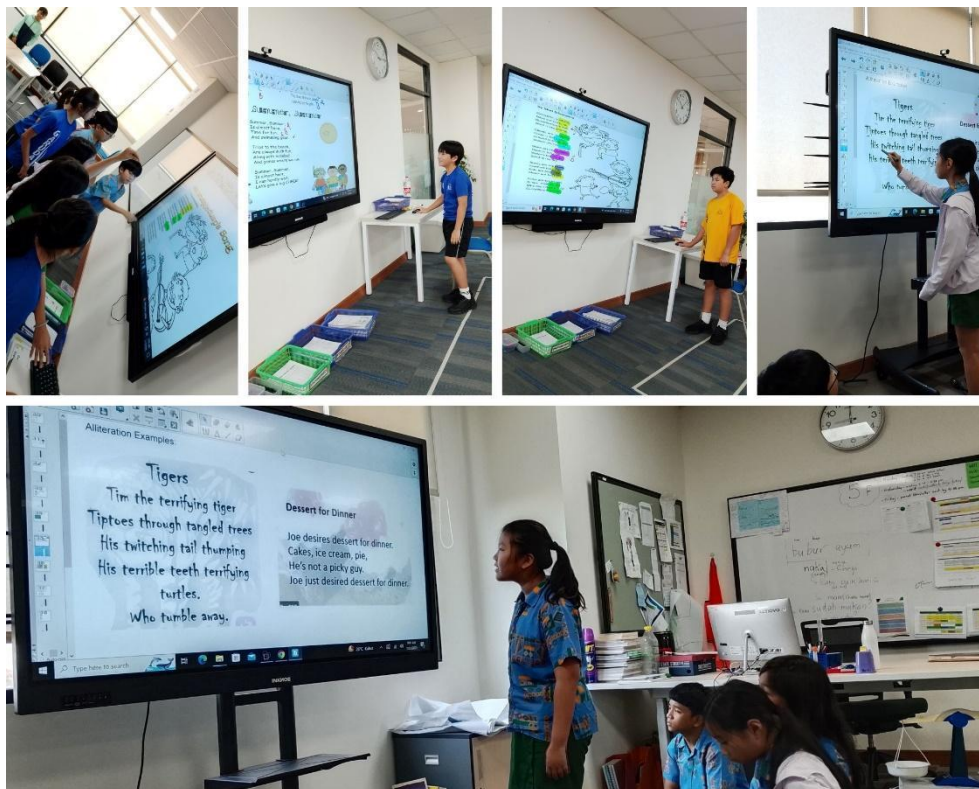

- **International Day** is just around the corner — next Thursday! We can't wait to celebrate the incredible cultural diversity of our school community.
- **School Photos** will be taken in **Week 4**, so please keep an eye out for information from your class teachers.
- **ICAS Assessments** will also begin soon, starting with the Writing test on **August 6**. Please make sure to check your emails for details and sample links if your child has signed up for the assessments.

As always, thank you for your continued support.

Have a wonderful weekend,
Sinead Smith
Deputy Principal – Primary

Year 5 EAL

In the second half of the term, students will explore narrative poetry. They will listen to, read, and view a range of narrative poems, and later create a digital multimodal narrative by transforming one of these poems into a new form.

HIGH SCHOOL NEWS

Welcome to High School News

Congratulations to Year 12 for surviving their Mock exams - today marks the end of an intensive week and a half of exams for the students. Now the hard work passes to the teachers to mark and grade the exams and give feedback to support the students to learn the necessary lessons from these exams and make the necessary improvements for the real ones in October and November.

Our week started early with training in school on Saturday. A group of teachers from Primary and High School spent the day in school working to better understand and appreciate how culture can affect your worldview and your communication style and how this impacts our classrooms. We discussed and reflected and came away with some new ideas and approaches to encourage everyone in our classes to engage actively in their learning.

On Thursday and Friday we welcomed Joe and Abad from the Academy of Entrepreneurs to work with Years 9, 10 and some of Year 11 to help them to identify their strengths, passions and how they can turn them into a business to target one of the UN's sustainable development goals. We are looking forward to seeing how the students develop their ideas into pitches for the final day of the workshop on Monday.

Finally I would like to wish Zefanya in Year 11 all the best at the Global Rounds of the World Scholar's Cup in Seoul following her performance in the Jakarta competition last term. Good luck and Well done!

Dr Beth Ashfield

Deputy Principal and Head of High School

Year 8 STEM – A Creative Kickoff!

This week, Year 8 students began their STEM classes with hands-on activities using LEGO SPIKE kits. They explored how to build and program simple machines, sparking curiosity and collaboration right from the start. Working in small groups, students used motors, sensors, and block coding to complete fun challenges and get a feel for engineering and robotics.

Over the next few weeks, students will take on more complex tasks and be challenged to design and build their own innovative projects. We can't wait to see what creative solutions they come up with as they apply their skills to real-world problems!

Here is the footage of their exciting first session in action.

Mr. Asep and Mr. Craig

Dear Parents,

We are excited to announce the upcoming **Taipans Cup**, AIS's largest student-run sporting event, taking place from **August 21st to 23rd**. This is a major celebration of athleticism, school spirit, and student leadership – and we need **your support** to make it a success!

🏆 Why We Need You

The Taipans Cup is **entirely sponsored**, and **your contribution as a sponsor** will directly support the organization of the tournament, equipment, facilities, and more. Every sponsorship helps provide a platform for our students to showcase their skills and passion.

👏 Let's Make This Tournament Special

This is not just any tournament — the **Taipans Cup is the biggest sporting event hosted by AIS**, and it's led entirely by our students. We want to make this more than just a competition for the players — we aim to create an exciting, school-wide celebration that **every member of the AIS community can enjoy**.

To make that happen, **we need your support**. Your involvement as a sponsor or enthusiastic supporter will help create an incredible atmosphere — one that **motivates our players**, gives them a true **home advantage**, and shows them the entire school is behind them. Let's come together to turn the Taipans Cup into a proud, unforgettable AIS tradition.

📅 17 Tournament Schedule:

- **August 21st:** Football (Round Robin), Volleyball
- **August 22nd:** Football (Finals), Basketball (Round Robin)
- **August 23rd:** Touch Rugby, Basketball (Finals)

Let's come together to celebrate student initiative, sportsmanship, and school unity. **Be a proud supporter of the Taipans Cup!**

Turn Your Unused Clothes into a Brighter Future

Our school has been invited to take part in a Clothes Drive by one of the local shelters, Yayasan Gemilang Indonesia. This yayasan supports underprivileged children and teenagers to make a real difference in their lives through education.

This is a meaningful opportunity to give back. Donated clothes will be sold at affordable prices, and all proceeds will support the shelter's daily operations, providing essential life skills and informal education to children who are not currently enrolled in school. The shelter also serves as a safe and nurturing learning center for these young individuals.

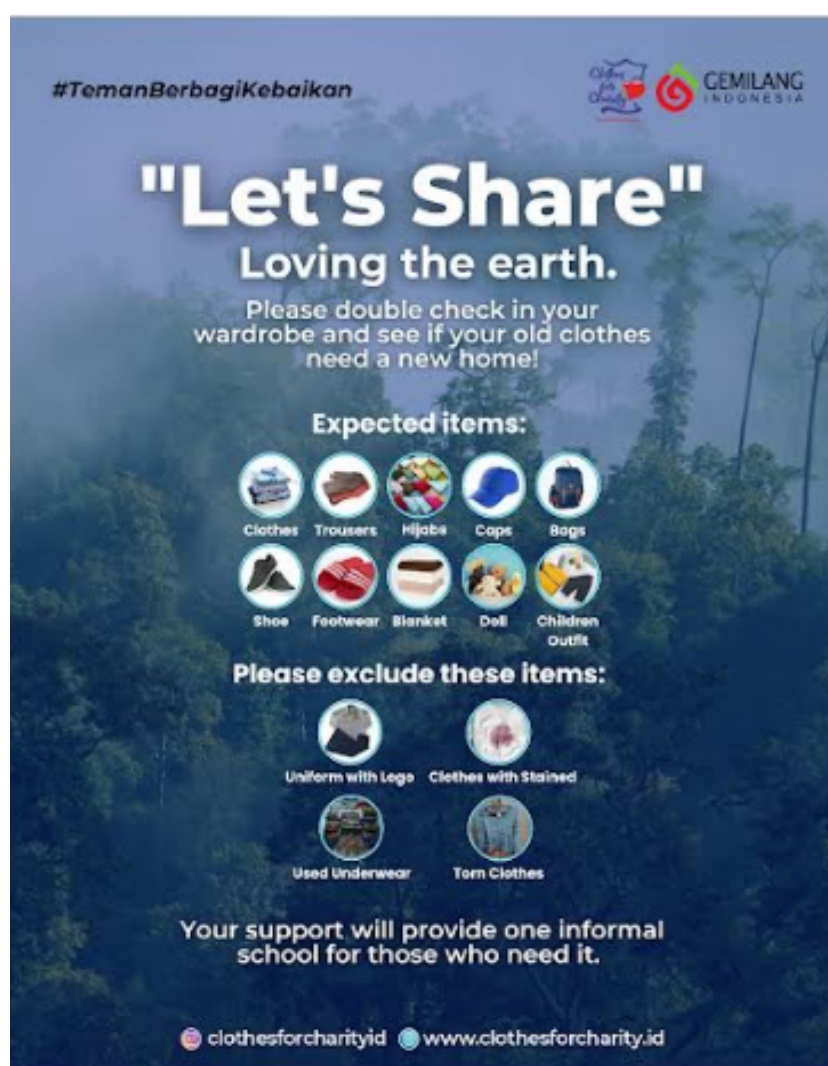

If you have gently used clothes or other unused items tucked away in your wardrobe or storage, we warmly encourage you to donate them. A **drop box** will be placed **outside the swimming pool area** for your convenience.

Clothes Drive Period:
Monday, July 28 – Friday, August 1, 2025

Let's work together to make a difference. Every piece of clothing you donate can help turn someone's life around, providing them with the opportunity to learn, grow, and build a better future.

Your generosity today can shape someone's tomorrow.

Ms. Atiek

New Semester, New Goals!

As the second semester kicks off, it's the perfect time to set clear, achievable goals that will guide your academic and personal growth. Here's how you can start strong and finish the year even stronger:

1. Set SMART Goals

- **Specific:** Don't just aim to "get better grades"—target a specific subject or mark.
- **Measurable:** "Improve my Math grade to an A" gives you a clear benchmark.
- **Achievable:** Challenge yourself, but be realistic based on past performance.

- **Relevant:** Make your goals meaningful—are they aligned with your interests or career goals?
- **Time-bound:** Set a deadline, like “by the end of September,” to stay on track.

2. Break it down

Divide big goals into weekly or monthly tasks—like completing all homework before the weekend or reviewing key topics each Monday.

3. Seek support

Talk with your teachers and counsellors for extra guidance. Accountability boosts your chances of success.

This new semester is your fresh start! Use SMART goals, track your steps, and tap into your support system. You’ve got what it takes—let’s make this semester your best yet!
