

AIS SCHOOL VISION

For our students to become confident, capable and socially aware global citizens who contribute meaningfully to the communities in which they choose to live and work.

Jakarta Bytes, 30th April 2026

Principal's Highlights

A short four-day learning week, starting with a competitive array of Taipan teams in the basketball competitions in both Primary and High School. Well done to everyone, coaches and players. AIS hosted a Middle School Football match on Monday with another solid showing. Finishing the week with our annual Primary School Talent Show, a full report on that in next week's Jak Bytes! Happy long weekend.

ANZAC Day Dawn Service

Last Saturday members of the AIS Jakarta community attended the ANZAC Day Dawn Service at the Jakarta War Cemetery and the Gunfire Breakfast. It was a truly memorable morning and a proud moment to be part of our AIS Jakarta community.

Message from our Indonesia Parent Group

Dear AIS Community,

Welcome back to parents and welcome to new parents. As part of our diverse community, we do have several country groups for parents to join and interact with others. These particular groups are designed to encourage engagement, maximize school information as well as assisting in creativity for general school events.

Here we are Highschool Indonesian Mums Group, I am Fenny Baird, Head of Indo Mums and Kiky Martin as Vice would like to encourage Indonesian Highschool parents to join our group. Let's make friends and memories!

Thanks and Sampai Jumpa 🌸
