

AIS SCHOOL VISION

For our students to become confident, capable and socially aware global citizens who contribute meaningfully to the communities in which they choose to live and work.

Principal's Highlights

A broken up week, particularly with our Wednesday Eid Al Alda day away from school and work! A special thanks to staff and students and those parents on campus for our Lock Down and Evacuation Drill held Tuesday afternoon. Each school term it's important we complete at least one drill so we as a community know what to do if the worst happens. Again, well done to everyone. The learning continues of course with a busy week start to finish. Speaking of finishings it was a great finish on Friday with our University Guidance session, thanks Mr Jeremias! Remember parents, Jeremias is available for appointments, no matter the age or year group of our child(ren). Busy week for sure next week with our Primary Swimming Carnival, CAC Meeting # 2, Open House and International Day on Friday.

Parent Student Items Drop-Off

We are currently running out of space to accommodate any late parent drop-off of items for their child(ren), including food. Instead please as much as possible, please send these items with your child(ren) at the start of the school day.

Anything dropped off and not picked up that day, will be taken to lost property with food contents placed in the bins.

Thanks for your understanding

Campus Advisory Council (CAC) – Meeting # 2 Tuesday 02 June
