

AIS SCHOOL VISION

For our students to become confident, capable and socially aware global citizens who contribute meaningfully to the communities in which they choose to live and work.

Jakarta Bytes, 5th June 2026

Principal's Highlights

Our sub-schools have been very busy over the course of the past few weeks, this week it was no different. Our Primary classes have been busy finalising some assessments with our Year 3-6 also preparing for our **experiential camps** programmes. We are excited by the authentic learning that will no doubt take place. It was a great start to the week with our **Primary (Year 1-6) Swimming Carnival**. It was a great atmosphere for students competing and working as a team. Our High Schoolers have also been finalising assessments and preparing for their **Swimming Carnival** next week with a successful House meetings this week. This week finished with our 2026 AIS Jakarta International Day – photos to come in next weeks' edition of **JakBytes**... The learning continues until **Friday Week 10**.

Special times over the coming weeks – please note our calendar events this coming few weeks to the term break. Particularly our last day with at **12.30pm early leave**.

Campus Advisory Council (CAC) – Meeting # 2 Tuesday 02 June

Thanks to members of our learning community that reached out to our CAC representatives with their issues or concerns. It allowed our CAC meeting to be targeted which will, in turn, lead to better outcomes for all. Thanks to our CAC parent representatives – Heather Stagg and Lina Crawford for their time and contributions. AIS Jakarta leadership will work towards achieving these goals before our next meeting in Term 3.

Open House – Many Thanks

We had an amazing **Open House** on Wednesday morning this week. Its days like these that you remember how special our learning community really is! Thanks to all involved, particularly our parent perspective speaker – **Maria Gonzalez**, thanks Maria for your time and support, we are lucky to you have in in our learning community!

Parent Student Items Drop-Off

We are currently running out of space to accommodate any late parent drop-off of items for their child(ren), including food. Instead please as much as possible, please send these items with your child(ren) at the start of the school day.

Anything dropped off and not picked up that day, will be taken to lost property with food contents placed in the bins.

Thanks for your understanding

Mr Dean Cummins
Principal
