

AIS SCHOOL VISION

For our students to become confident, capable and socially aware global citizens who contribute meaningfully to the communities in which they choose to live and work.

Jakarta Bytes, 31st July 2026

Week 3 Highlights

The semester is certainly kicking into gear both in and out of the classrooms. Our Primary and High School SRCs are really stepping into their leadership roles. Whilst it will be a busy semester with many and varied activities, what is just as important is that our student voice is well heard and improvements are being made. From more volleyballs for our breaks in the MPC to supporting fundraising, our SRC is active. The journey of leadership, for many of us, started at school. Leadership is quite a lot about giving, empowering others, not wielding power. Our SRC and our Ministries in both Primary and High are on track to be the change makers of the future.

Parent College – Managing & supporting emotions in our young people

Many thanks to all our parents that attended and supported our Parent College led by Ms Jordan Benson. Learning along with our children!

PNF General Meeting

Many thanks to our 2026 PNF Executive for preparing and administering this week's General Meeting. The PNF Executive continue to be a driving force for our community. Can I extend all parents to support their initiatives such as the Senior High Prom and Halloween Disco, both being held early Term 4.

Taipans Cup Bake Sale

Taipans Cup is fast approaching; we are all very much looking forward to it! We had a very successful Bake Sale Friday this week, here are some photos of our students

UNSW Foundation Course

We are excited to be launching the UNSW Foundation course in August this year. UNSW has recently been acknowledged on the prestigious QS ranking of the top 100 universities, placing 19th. This is the

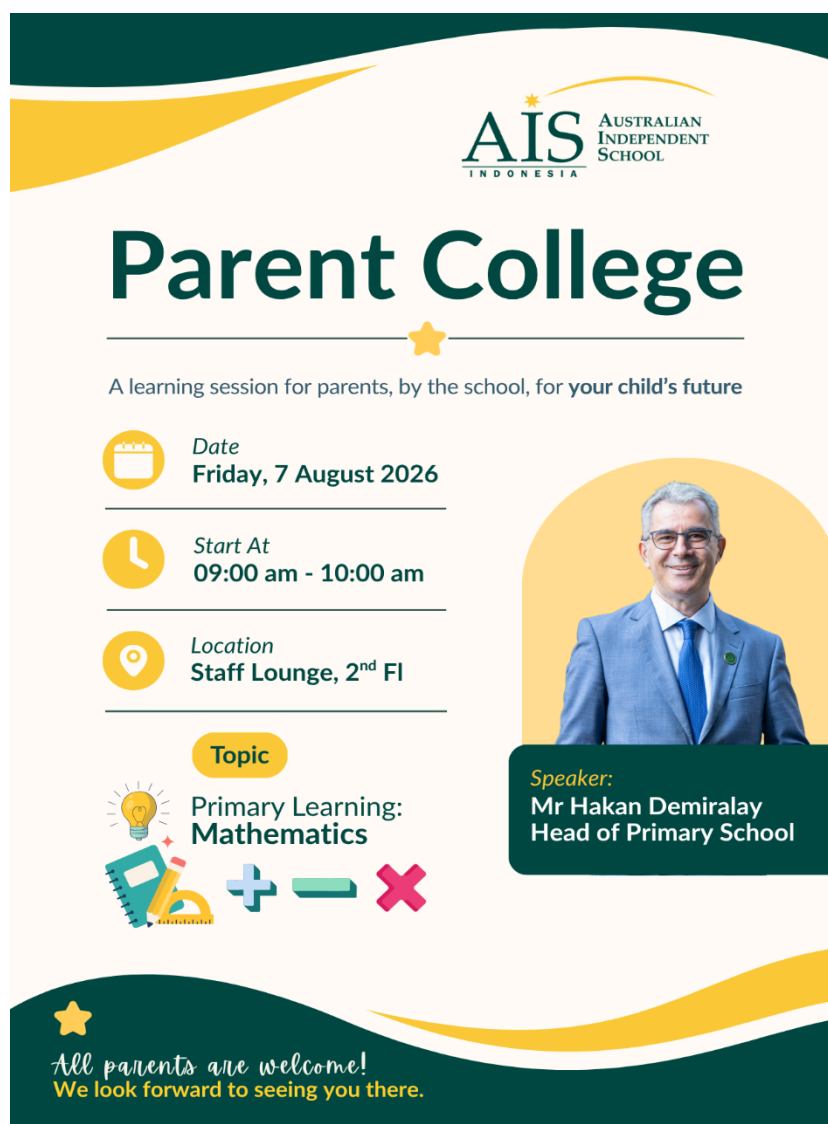

highest placed Australian university, close to Yale (16th) and outpacing some other well-known universities such as Princeton (27th) and University of California, Berkley (20th). Conducting this course as a licensed centre will most definitely improve our student experience in the Senior High years particularly. It will operate at our North Campus in a designated building near the MPC entrance. This course will run parallel with our IB and School-based courses, being the third alternative pathway we offer to our students.

In the near future an information session will be held with Year 10 and 11 students to inform them of the programme.

Should you require more information at this time please do not hesitate to reach out to myself or Mr Brenton Hall, our Adviser.

Upcoming events

Parent College

The poster is for a 'Parent College' event at AIS Indonesia. It features a yellow and green color scheme. At the top is the AIS Indonesia logo. The title 'Parent College' is in large green letters. Below it is a yellow star icon and the text 'A learning session for parents, by the school, for your child's future'. The event details are listed on the left: Date (Friday, 7 August 2026), Start At (09:00 am - 10:00 am), and Location (Staff Lounge, 2nd Fl). The topic is 'Primary Learning: Mathematics', illustrated with math symbols. On the right is a photo of Mr Hakan Demiralay, Head of Primary School, with his name and title below it. At the bottom, a green banner says 'All parents are welcome! We look forward to seeing you there.'

Mathematics

Speaker:
Mr Hakan Demiralay
Head of Primary School

All parents are welcome!
We look forward to seeing you there.

High School Prom – Have Your Say!

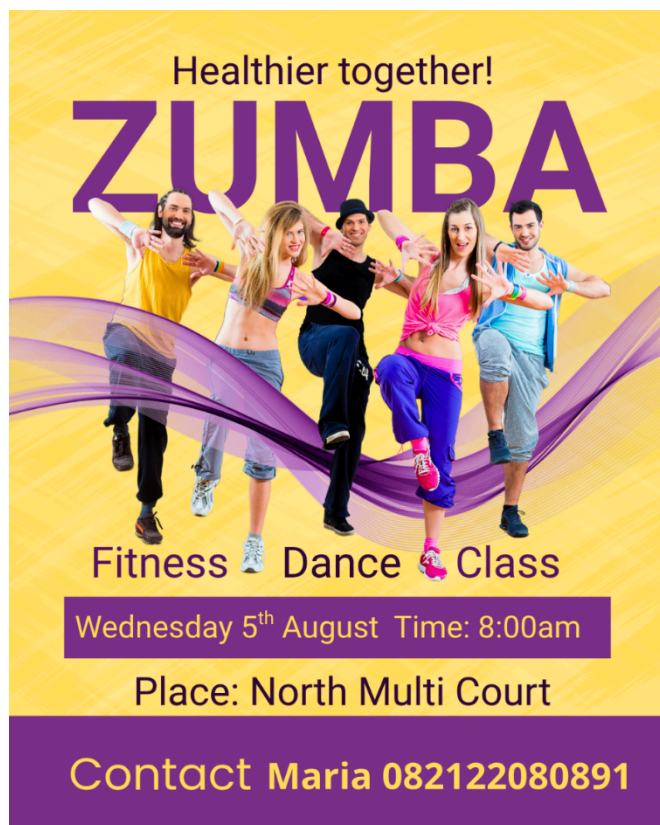

We're excited to announce that our **High School Prom** for students in **Grades 9 and above** will be held this **October**!

To make the night extra special, we're inviting students to vote for their favourite prom theme. A link to the voting form has been sent to each eligible student's **school email account**.

Voting closes on Saturday, 1 August, so please encourage your child to cast their vote before the deadline to help decide this year's prom theme. Every vote counts, and this is their chance to have a say in creating an unforgettable evening!

Invitation to AIS Indonesia Independence Day Celebration – Friday, 14 August 2026

We are delighted to announce that we will be celebrating **Indonesia's Independence Day** at school on **Friday, 14 August 2026**.

We warmly invite all members of the AIS community to join our **Flag Ceremony** from **8:10 am to 8:35 am**.

In the afternoon, we will hold a **combined Primary and High School Assembly** from **1:10 pm to 3:00 pm**. This special event is open to all AIS family members, and we would be delighted to have you join us to enjoy our students' performances and celebrate this important occasion together.

To help create a festive atmosphere, we encourage everyone to wear **red and white** on the day.

Please find the **Program of the Day** attached. We hope you will take the opportunity to spend some time with us, watch the students showcase what they have been learning in their Indonesian Studies lessons, and experience some of the traditions and activities that are part of Indonesia's Independence Day celebrations.

Thank you, and we look forward to celebrating with you on **14 August 2026**!

Taipans Cup

Taipans Cup 2026: Three Days of Sport, Community and Sustainability

The countdown is on! From **20–22 August**, the Australian Independent School will proudly host the **2026 Taipans Cup**, welcoming schools from across Jakarta and Bali for three exciting days of competition, friendship and school spirit.

This year's tournament will feature **Basketball, Football, Touch Rugby, Volleyball and Dance**, bringing together hundreds of student athletes who have trained tirelessly for the opportunity to represent their schools. AIS Bali will bring 35 students to also participate in the event. Over three action-packed days, spectators can expect outstanding displays of teamwork, determination and sportsmanship as students compete for the coveted Taipans Cup titles.

The Taipans Cup has grown into one of the highlights of the AIS sporting calendar. While winning is always exciting, the tournament is about much more than trophies. It is an opportunity for young people from different schools and backgrounds to build friendships, demonstrate respect for one another and experience the values that make school sport so rewarding.

This year's event also continues our commitment to environmental responsibility through the theme **"Go Green."** Throughout the tournament we will be encouraging sustainable practices, reducing waste where possible and promoting environmental awareness. We hope the event inspires our students to recognise that leadership extends beyond the sporting arena and includes caring for the world around us.

Parents are warmly invited to attend throughout the tournament to cheer on our students and help create the fantastic atmosphere that has become a hallmark of the Taipans Cup. Your encouragement from the sidelines makes a tremendous difference to our athletes and helps make the event memorable for every participant.

Visitors can also enjoy food and refreshments available throughout the tournament, while taking the opportunity to celebrate the talent, dedication and enthusiasm of students from schools across the region.

Join us from 20–22 August as we Play Green, Live Green and Lead Green. We look forward to seeing you at the 2026 Taipans Cup!
