

**AIS SCHOOL
VISION**

For our students to become confident, capable and socially aware global citizens who contribute meaningfully to the communities in which they choose to live and work.

Kemang Bytes, 28th August 2020

Dear parents, caregivers and our AIS community,

This past week (Week 4) has seen all our fabulous teaching staff return to campus and delivering our highly revered online education program. Strict health and safety protocols are in place that will see all staff operate in “bubbles” to ensure they are able to social distance as well as practice strict hygiene measures. I would like to acknowledge our professional and diligent staff who work extremely hard in ensuring all their students are engaged and happy in their learning. Not only but also the way they support and care for their colleagues. We are very lucky to have such amazing educators at AIS!

Next week (week 5) will see the regular timetable for online learning at Kemang change. Times will be as follows;

Preschool 3 – 8am to 10am

Preschool to Year 3 – 8am to 12.30pm (30m min break from 10-10.30am)

Year 4, 5 and 6 – 11.30am to 4pm (30 min break from 1.30pm-2pm)

All links and Timetables will be sent by your child’s classroom teachers today.

Learning / Study Groups

Our small learning / study groups, which will be offered from Week 6 on the Kemang Campus, will cater for children who have been having difficulty accessing online learning for wellbeing reasons. All children who attend these groups must have presented a recent negative COVID test and have signed all documentation and parental permissions.

For those families who wish their children to continue online learning, our online learning program will run at the same time (synchronously) as the learning / study groups.

Learning Packs

All students who are in Jakarta will receive another learning pack. These will be distributed at the end of Week 5. If your child will be attending the small study groups, then their pack will be waiting for them at school, on their desk. These packs can then remain at school.

Daily Online Health screen check in

Please find attached an online Daily Health screener that will be required for all staff and students who will come onto campus from next Monday 31st August. Parents of children attending learning / study groups from week 6 will need to fill this in each day for their child as a condition of entry to campus. A reminder that no parents, carers, nannies, drivers will be allowed on campus at any time.

Father’s Day

For many Australian’s Sunday September 6th is Father’s Day. If we were on campus, we would be celebrating with our wonderful Father’s Day breakfast organised by the PnF. Unfortunately, that won’t be happening this year, however we would still like to acknowledge the wonderful fathers and male role-models in our students’ lives in our assembly next week with a Father’s Day slideshow. Please send a photo, one per family, of a father/role-model with their children, to Ms Maria; maria.angela@ais-indonesia.com. Deadline Tuesday 1st September.

Therapies

Freja demonstrated great work with her fine motor skills during an occupational therapy session with Ms Indah and Ms Imelda. Well done, Freja! We were excited to SeungJoo learning about whole body listening during his sessions with Ms Maria and Ms Hilda. Excellent work, SeungJoo!

Congratulations Ms Fitri

Another addition to the AIS family!

Welcome 'Aisy Sophia Johan', who was born on Monday, 10th August 2020, the daughter of our lovely Ms Fitri.

Congratulations, Ms Fitri and family! We send loads of love and hugs to you and your little one.

Assembly
